1 hour lesson's duration is 45 minutes

Cost

Main instructor 75 CHF / lesson

Assistant 25 CHF/ lesson

And costs (transportation, material and preparation)

Three out of the 100 topics

Please have a taste of three lab's topic that can also be tailor suited with your needs.

### **LAB OF GEOPHYSICS – Swiss landscape**

In a sport hall, we present different physical activities to familiarize children with Swiss mountains, Swiss lakes, etc.

### **LABS WITH Swiss national anthem**

With musical and singing performances, we familiarize pupils with the Swiss national anthem.

### **MATTERHORN LAB**

With manual activities and storytelling, pupils learn more about the Matterhorn and its history and its shape.
